

“REINDEER SCHOOL”

At the Reindeer School today,
We learned how to pull a sleigh,
With hooves up high and eyes so bright,
We're ready for our Christmas flight!

Leap and leap, we'll touch the sky,
Every reindeer loves to fly.
Dasher giggles, Dancer cheers,
Santa's team will soar this year!

You should see how high we fly,
Mrs. Claus said, "My, oh my!",
Santa said with pride so true,
"Christmas Eve I'll count on you!"

We click our hooves and start to run,
Flying high is Christmas fun.
One, two, three, then off we go,
Over rooftops, through the snow!

Leap and leap, we'll touch the sky,
All eight reindeer love to fly.
Prancer giggles, Vixen cheers,
Santa's team will soar this year!

Leap and leap, we'll touch the sky,
Every reindeer loves to fly.
Comet giggles, Cupid cheers,
Santa's team will soar this year!

Leap and leap, we'll touch the sky,
Every reindeer loves to fly.
Donner giggles, Blitzen cheers,
Santa's team will soar this year!
Oh, and one thing I forgot to say,
Thank you Rudolph, you light our way.

Leap and leap, we'll touch the sky,
Every reindeer loves to fly.
All night long, we'll have no fear,
'Cause Santa's reindeer team, his Christmas reindeer team,
His favorite reindeer team, will truly soar this year!
