

# **“SANTA LOST HIS HAT”**

Santa looked high, Santa looked low,  
Wherever did his red hat go?  
He checked his sleigh, he checked his boots,  
He even checked out the candy cane chutes!

Oh no, oh no, wherever did it go?  
He might have lost his hat, while playing in the snow!  
Let's help him look, listen close, hear what I say,  
We need to find his big ol' hat before Christmas Day!

The elves are searching, the reindeer are too,  
I'm sure we'll find it with a little help from you!  
Hey, let's ask Rudolph, maybe he saw it fall,  
C'mon everybody, shout out, give a call!

Oh no, oh no, wherever did it go?  
He might have lost his hat, while playing in the snow!  
Let's help him look, listen close, hear what I say,  
We need to find his big ol' hat before Christmas Day!
