

“THE JINGLE BELL PARADE”

Grab your coat and come along.
Play the music, sing a song.
Marching down the snowy street,
Clap your hands and stomp your feet!

It's the Jingle Bell Parade, hooray!
Christmas Eve is on the way,
Ring your bells and dance all around.
Spread the joy throughout your own home town!

Trumpets, drums, and candy canes.
Santa Claus knows all our names.
Marching till the stars are all aglow.
It's the Jingle Bell Parade, let's go!

It's the Jingle Bell Parade, hooray!
Christmas Eve is on the way.
Ring your bells and dance all around.
Spread the joy throughout your own home town!
