

“TWINKLE TIME”

Twinkle lights on every tree,
Shining bright for you and me!
Snowflakes glimmer in the night,
Decorations, shine so bright!

Twinkle time, twinkle bright,
Laugh and play this Christmas night!
Hold my hand, let's make a rhyme,
It's the happiest twinkle time!

Stockings hung, gifts galore,
Magic comes to every door!
Sleigh bells jingle, choirs sing,
The joyful songs the season brings!

Spin and twirl, clap your hands,
Magic sparkles through the land!
Shake a bell and make it chime,
Celebrate, it's twinkle time!

Snowball fights and cocoa mugs,
Warmest smiles and biggest hugs!
It's twinkle time, let's dance around,
Happy friends can all be found!

Spin and twirl, clap your hands,
Magic sparkles through the land!
Shake a bell and make it chime,
Celebrate, it's twinkle time!

Twinkle time, twinkle bright,
Laugh and play this Christmas night!
Hold my hand, let's make a rhyme,
It's the happiest twinkle time!

The very, very best, twinkle time.
